Member of:
Association of Christian Schools Intl.

Dear Parents,

Thank you for your interest in New Harvest Christian School. Founded in 1995, NHCS is a member of the Association of Christian Schools International. We have pre-kindergarten (K4) through eighth grades.

Education at New Harvest Christian School is unique in philosophy and content. Our school operates as an extension of the family. We seek to create a learning environment with an academic approach designed to challenge and motivate all students to learn to their fullest potential. NHCS remains committed to its goal of providing a Christ-centered education that encourages children to become lifetime learners.

We use an integrated curriculum that demonstrates the unity of all knowledge. We strive to foster a love of learning in an orderly, disciplined and motivational environment, and to operate with delegated authority from the parents in the education of their children. We require personal responsibility, self-discipline and respect for authority. We encourage school spirit, caring camaraderie and mutual respect.

Enclosed are some information forms and our New Student Application and Agreement for your review. Please read everything thoroughly. Call if you have any questions or would like to visit our classrooms. You may also call to make an appointment to learn more about the NHCS approach to Christian education.

If you would like to pursue the enrollment process, you will need to submit the completed application with the application fee at which time we will arrange your family interview with me.

In His service,

Carol M. Ford
