\*\* This week, we are sending home re-enrollment packets for the 2021-2022 school year. We have had an unprecedented number of calls from new families and cannot predict which grades may need to have wait lists. As a current NHCS family, you will have priority until June 4<sup>th</sup>. Students are not enrolled until all paperwork and fees have been submitted to the office. Please ask Amanda if you have questions.

**COVID-19 Reminders:** The state of California is set to "fully reopen" on June 15<sup>th</sup> provided that it can continue to meet "equitable vaccine availability" and "consistently low burden of disease". Get details here:
